Dear Sponsors,

At Young Professional Network of Southern Indiana (YPNSI), our mission is to cultivate relationships amongst young individuals in the surrounding communities and provide them resources to achieve their personal and professional goals.

Each month, our members are invited to attend group meetings, which rotate between professional development, volunteering, and social events. Past professional events have included Coaching Sessions with Executive Coach CJ McClanahan, Tours of Local Businesses, and Words of Wisdom from Industry Leaders, to name a few. Past social events have included Bomber's games, Axe Throwing, Cookouts, and more.

In addition to the core agenda of each event, we also strive to bring in a local nonprofit organization to pitch their mission to our members. These organizations are always looking to increase their membership base and partnering with them has provided our members access to several avenues to volunteering locally. Some of these organizations that have attend our past events include The Optimist Club of Jasper and SWICCAC.

On December 1st, 2023, we are hosting our second annual YPNSI Gala at the Thyen-Clark Cultural Center in Jasper, IN. At this event, our organization aims to bring together young professionals from the region to network and have some fun! Guests will enjoy dinner by Chef Tim (Carodella's) and Chef Claudia (Café Pina), music by Soirée Sounds, and a cash bar by Headquarters over the course of the night.

As a group, we are seeking table sponsorships from local companies looking to expand their resources for their young employees. This event will provide your employees a great way to socialize with one another outside of the office while also giving them an opportunity to connect with other young professionals in the area. For a table of (8), which includes dinner tickets, we are asking for a table fee of \$400. This will also include your company logo on all event materials (print and digital) and social media advertising.

If you are unable to sponsor a table this year, we would greatly appreciate a donation of \$250 for the event. This will help us to continue to achieve our mission of connecting the young professionals across Southern Indiana. As a token of appreciation for your donation, we will also include your company logo on all of our YPNSI Gala event materials and advertising.

Concluding our event, we will be donating the organization's annual profits to a local organization, voted on and selected by YPNSI Members. Last year's donation was gifted to Southwestern Indiana Child Advocacy Center Coalition (SWICCACC) to help support their mission of "Providing a safe reporting location for victims of crime and their families with community based multi-disciplinary teams that provide support, promote justice and help to prevent violence."

If you could be so kind, please respond by November 17th using the corresponding page and information found within. We greatly appreciate your generosity and acknowledgement of our mission to build a strong network amongst our young professionals. Please reach out to ypnsindiana@gmail.com with any questions or additional inquiries as to how we can partner together to help the young professionals of your company.

Sincerely,

YPNSI Board Members
